

Conference Folding Tables

All tables are designed for sheer elegance, reduce the cost of operations and eliminating linens that require maintenance with cleaning. A statement for beauty is called for with these tables.

For clients who demands Naked Conferencing, these tables help charge forward the way of a new era of linen-less conferencing

Adding Value

Tables not only add appeal to a venue but also add value to your premise. Cost of set up and maintenance reduces long term investments in table cloths. Wood Grain or Plain High Pressure Laminated surfaces are used in a variety of colours to match your interior best

Saving Costs

Conference Folding Tables assist in a major advantage when it comes with dressing these tables. NO Dressing is required at all. Beauty and sheer elegance makes way for heavy washing and maintenance costs that arise from washing table cloths for each meeting. Neither will you ever require to purchase up to 3 table cloths per table anymore

Adding Privacy

Detachable Modesty Panels / Privacy Panels offer comfort to guests and serve as a screen traditionally used with Table Cloths. Lightweight in Construction thanks to Perforated Aluminium sheets. Panels are locked firmly with Modesty Panel Lock mechanism Tables
