

Folding Massage Table

Tables were specially design with the help of Original Point Therapist that required a tables of Superior quality and functionality. Built with the purpose of serving communities in need with easy portability. Manufactured with the same quality and materials used for the Hospitality Standards of our tables for quality and dirability

Foldable & Portable for carrying

Tables are detachable for carrying purpose and further more foldable for storage. Tables are designed to be fitted in cars where Rear Seats of vehicles are foldable for fitment and transportation. An excellent feature for home visits. Foot Rest Extension is also detachable for portability. ALL parts come with Arm Handles for easy carrying purposes.

Foot Rest

A Detachable Foot Rest is also provided for therapy required for Hamstrings, calves and ankles. This attention to legs is often unprovided by many other tables in the Industry.

Foot Rest is padded for placement of ankles when occupants are lying down for leg therapy
